

## Profile of ABCD at Holley ~ Grace's Place

Agri-Business Child Development (ABCD), founded in 1946, is committed to providing the highest quality early childhood education and social services to farm worker and other eligible families across New York State. Children, eight weeks old through school age, benefit from the culturally and linguistically diverse programming recognized nationally as a hallmark of Agri-Business Child Development.

Agri-Business Child Development has provided services to the agricultural community in Orleans County and Western Monroe County since 1972. Initially, ABCD purchased child care services for the children of agricultural workers from local child care centers. In 1991, ABCD opened its own facility, Orleans ABCD, in Albion. In 2006, funding from the New York State Housing Finance Agency enabled ABCD to respond to the increased need for services in the area by replacing the Orleans Center with a larger facility in Holley.

ABCD at Holley ~ Grace's Place is named in honor of Grace Holzwarth. Grace's generous spirit, optimistic nature, and sheer determination enhanced the lives of countless children and families.
